

Pre-Booking Form

Thank you for your interest in booking a trip with Hatch River Expeditions! All of our trips are guided through some of the most beautiful and remote areas of the Grand Canyon where only select guests get to explore. Hatch has been helping guests experience this unique environment since 1934. Over that time, we've maintained an excellent health and safety record, and today we continue working to minimize risks to participants by emphasizing safety. Most participants are prepared, are conscious of the risks, and take appropriate safety precautions, so they do not experience injuries or illness on the river. If you decide to take a river trip with Hatch, you'll need to listen and follow guide instructions, work as a team with your fellow participants, have proper clothing and equipment, be physically fit, and take responsibility for your own health and safety.

Please read and fill out this form with complete and accurate information regarding your physical, dietary, and medical conditions as they relate to your ability to participate in a trip with Hatch River Expeditions.

Important!

This form must be completed for each guest on your reservation and returned within 14 days of making your reservation. If this form is not completed, your dietary and medical needs will not be taken into account as we plan for your trip. Hatch reserves the right to cancel any guest's reservation without refund if this form has not been completed accurately and returned by the deadline.

Note: If a guest indicates a dietary or medical condition that may pose additional risk in a remote wilderness environment, Hatch may require additional information in order to assess whether we can safely and reasonably accommodate that guest's particular needs. Further documentation, including clearance from a guest's physician, may be required to determine whether a guest will be allowed to participate.

If a guest indicates a condition on this form that Hatch cannot accommodate and this form was received within 14 days of booking, Hatch will cancel that guest's reservation and provide a full refund for their space.

Please review the Physical Requirements and the Risk Advisory to Health-Care Providers and Participants prior to completing this form.*

*We are happy to accommodate a wide range of physical challenges and medical conditions as long as we can do so without compromising the safety of our other guests.

Policies

Pre-Booking Forms

You must complete a Pre-Booking Form for every guest on your reservation either prior to or within 14 days of making your initial reservation. If this form is returned by the deadline and it is determined that a guest will not be able to participate due to the information it contains, we will provide a full refund for that guest. Hatch reserves the right to cancel any guest's reservation at any time without refund if this form has not been completed accurately and returned by the deadline.

Reservations

We require an initial non-refundable deposit per person to reserve your space. Your deposit and guest names must be in our office within 14 days of making your reservation. If a deposit is not received within 14 days we reserve the right to cancel the reservation. Further, if we have not received a guest name for each deposit, we cannot guarantee your reservation. We accept personal checks, money orders, and VISA, Discover, and MasterCard. You will not receive a confirmation until we receive the deposit. Holds and tentative reservations cannot be guaranteed until the deposit has been made and names received.

Final payment of the balance is due 120 days before trip departure. If final payment is not received when due, Hatch River Expeditions reserves the right to cancel the reservation without refunding the original deposit.

One Trip Per Year

Grand Canyon National Park strictly enforces a "one trip per year" rule. Hatch River Expeditions is not permitted to accept a reservation from anyone who has or will participate in any other commercial or private, partial or full Grand Canyon river trip within the same calendar year.

Cancellations

If you must cancel your reservation more than 120 days before your trip, you must notify us in writing. After we receive your written cancellation, you will be refunded any amount you have paid less the non-refundable deposit and a 5% processing fee.

If you must cancel less than 120 days prior to your trip, no refunds will be made and you will forfeit any funds paid to Hatch River Expeditions.

This cancellation policy applies in every situation and there will be no exceptions made for any reason. We will not issue refunds for cancellations due to illness or late arrivals due to travel delays. Our company has a limited amount of spaces and a short season. Once we accept your deposit we can no longer sell that space to other possible guests and have likely already invested time, money and energy preparing for your trip and cannot afford the financial loss.

If you are concerned about the possibility of canceling your trip we urge you to purchase travel insurance.

Don't forget Travel Insurance!

If you are using Hatch's preferred provider, Travel Insured, make sure to purchase your policy within 21 days of paying your deposit to take advantage of the "Cancel for Any Reason" option.
